EU AND FDA FOOD-CONTACT REGULATORY STATUS OF d2w™ DEGRADABLE ADDITIVE MASTERBATCHES

Smithers Rapra Technology Limited has been provided with confidential information on the composition of the current Symphony d2w™ degradable additive masterbatches. Smithers Rapra can confirm that the EU and FDA regulatory status data given in the Symphony information sheet reference Sym/Food Contact/ MFS/001 dated November 2007 are correct and in agreement with the compositional information supplied.

John Sidwell BSc, C.Chem, FRSC
Principal Consultant Food-Contact Materials

Diane Baker
Quality Manager

This certificate has been prepared based on the information provided up to the point of its completion, which has been accepted in good faith.
